The workshop offers toys with a unique design, which absorbed the traditions of Russian folk art and modern fashion trends.	All toys are made from environmentally friendly sheep's wool that comes from the Caucasian producers. Clean air, water of the mountain streams and lush grass makes wool soft, strong and pleasant to the touch. Masters manually produce from this unique material real works of art on sketches of the outstanding Russian designer Pavel Gavrilov. Employees of the studio use the technology of dry fulling wool in contrast to industrial producers that use the technology of wet fulling wool. The average size of souvenirs is 5-7 cm, soft toys - 15-20 cm, large toys - 55-60 cm.	http://nalogin.com		Russia
