Special Notes:

1) Customs or Duty :

All exhibits are arranged as temporary imported goods. If exhibit is only for display or demonstration in the fair, there is no any tax/duty will be charged by customs. But if after the fair closing, any exhibits is sold or given to domestic company etc., according to the Chinese Custom regulation, tax/duty will be charged. Moreover, for souvenir ,Chinese Customs will offer free duty and tax within USD500/exhibitor based on exact situation ,if over, will charge at cost. All the above are subject to update regulations of the Customs if there is any.

2) All Food & Beverage / Plant products:

In accordance to the law of People's Republic of China, all food & Beverage / plant products are submitted to the Chinese Health and Quarantine authorization before shipment to China and on-site sanitary inspection.(Samples of exhibits must be handed over to the department to process import permits at least one month before import.)

Important: In order to obtain the import permits covering all food & beverage / plant products, the "Declaration Form" must be completed in detail and return to JoyHigh Shipping in advance. Special for wine & spirits, it must be indicated detailed description/type of wine or spirit, nos. of bottles, volume of bottle(litres), alcoholic volume & value, etc. All these kind of products will incur duties & tax and are non-refundable. Please be reminded that without or return confirmation, these would not be imported in China. The handling & service charges for these kind of products will be quoted separately.

3) REQUIREMENTS FOR WOOD PACKING MATERIALS :

- 3.1) Used wood case, bristletail moldered wood case and bark inside/outside the wood case are strictly forbidden.
- 3.2) Please use heated/pressed treatment thick wood composite products for the packing of machinery, fixed with screw sets, nail is not suggested.
- 3.3) Exempted Scope : Those wood composite products after being heated and pressed treatment, such as plywood, particleboard and fiberboard. Veneer core, saw dust, wood fiber and particle and other wood materials with its thickness equal or less than 6mm.
- 3.4) Observe Requirement : All import wood packaging materials should be treated by Heat Treatment(HT) or Methyl Bromide(MB) fumigation at the origin, and put the Mark of IPPC (as below) on two opposite sides of the wooden packaging material.

The Mark should contain the valid symbol approved by IPPC, country code, unique number of producer / treatment designated by the National Plant Protection Organization (NPPO) of exporting countries and treatment methods (HT,MB)

3.5) If the wooden packaging material without the approved mark or with approved mark but intercepts the live harmful pest, then the cargoes will be disposal or return to the origin. You will take all the liability and responsibility.

Sample of Marking :

Where:
 IPPC - Abbreviation of "International Plant Protection Convention";
 XX - International Standardization Organization (ISO) two letter country code;
 000 - Wood packing producing enterprise code approved by official plant quarantine authorizations in export counties or territories;
